Flags

Soar above ground level, and catch the breeze as flags can promote your message at outdoor events. Flags are easy to assemble and can be secured into soft ground with a clever spike system that drills downwards.

Flags come in a variety of sizes and the natural shapes allows the fabric to flutter in even the lightest breeze. Flags come in kit form complete with travel bag for easy transport and storage.

Single sided, 1-full colour print. Printed on polyester flag material. Complete with toggle and rope.
